ProMedica Health System  
**Speakers Bureau**

The Speakers Bureau at ProMedica Health System is designed to bring an extensive range of health care, wellness, and career information to area businesses, schools, clubs and civic organizations.

Serving a 23-county area of northwest Ohio and southeast Michigan, ProMedica Health System is one of the nation's leading integrated health systems, acknowledging a seamless connectedness between its member hospitals, physicians, outpatient units and a vast network of health services for individuals at every age, and stage of life.

With such depth and breadth, the staff of ProMedica Health System is eager to help meet your health information needs. Whether your interest is focused on a specific health matter, general wellness topics, career information, or updates on the health care industry, the Speakers Bureau can meet your requests. As a service to each community we proudly serve, all Speakers Bureau presentations are provided free of charge.

## Scheduling A Speaker

We kindly ask that requests be submitted at least one month prior to your engagement. Understanding that unanticipated opportunities arise, we will make every attempt to fill each request.
