- Sleep lab
- Surgery
- Wound care

Level 3

- 20 medical-surgical beds
- 10 critical care unit beds
- 8 labor, delivery, recovery, postpartum beds

Our Health and Wellness campus also includes:

- **YMCA of Lenawee County and ProMedica Wellness Center** – This state-of-the-art, 32,000 sq. ft. YMCA will house a family pool and a therapy pool, a gymnasium, kids' space, fitness/workout rooms and locker rooms, as well as ProMedica Total Rehab state-of-the-art rehabilitation treatment modalities and aquatics.
- **Over 2 miles of walking paths**
- **ProMedica Farm and Hoop House** – **The Hoop House is a medical-clinical facility** that is handicap accessible. The Hoop House will house the diabetes program and offers numerous rehab opportunities throughout. Produce grown on the Farm goes directly to the community through various stops by the ProMedica Veggie Mobile. The education center at the farm offers opportunities for the community to learn and explore.

Giving Opportunities

Without the support of our community, and their passion for health and wellness in Lenawee, this project would not be possible. For more information please call or email Katie Frye Young at 517-265-0171 or katie.young@promedica.org.
