MEDICATION ASSISTANCE

MEDICARE PART D DRUG PLAN 1-800-633-4227
www.medicare.gov

- Medicare contracts with many insurance companies to provide drug coverage through Part D
- Open enrollment for current Medicare beneficiaries: between Oct 15th – Dec 7th each year
- When enrolling, have your Medicare card and list of prescription medications/dosages with you

2018 Part D Plan Specifics:
- During the initial coverage phase, you pay a co-payment and your Part D drug plan pays its share for each covered drug until your combined amount (including your deductible) reaches $3750.
- Once you and your Part D drug plan have spent $3750 for covered drugs, you will be in the coverage gap, also called the “donut hole”. For 2018, the copay for
covered brand-name prescriptions is 35% of the cost; covered generics copays are 44% while in the "donut hole".

- When you spend more than $5000 out-of-pocket, the coverage gap (donut hole) ends and your drug plan pays most of the costs of your covered drugs for the remainder of the year. You will then be responsible for a small copayment. This is known as catastrophic coverage.

**MEDICARE PART D “EXTRA HELP”** with Part D Prescription Drug Costs

- Medicare Part D recipients may qualify for lower drug co-pays and a reduced or waived Part D premium. The income and financial asset limits for 2018 are as follows:
  - For single persons: annual income below $18,090 and assets less than $13,820
  - For a married couple: combined annual income less than $24,360 and combined assets below $27,600.
  - There is no coverage gap (donut hole) with the Extra Help benefit.
- For 2018, if you qualify for “Full Extra Help”, costs for generics are no more than $3.35 and brand name $8.35.
- Apply on line at [www.socialsecurity.gov](http://www.socialsecurity.gov) or call the Area Office on Aging at 419-382-7060.

**NOTE:** applying for the "extra help" does not enroll a patient in the Medicare Drug Plan. Medicare recipients still have to enroll in a Part D plan.

Percentage of Income Plan Plus (PIPP) 1-866-504-7392
Pathway HEAP Program 419-242-7304
505 Hamilton Street http://development ohio.gov/is/is_pipp.htm
Toledo, Ohio 43604

The following information was taken directly from the Ohio PIPP Plus website above:
• PIPP Plus allows eligible customers to make affordable monthly energy
payments on a year-round basis.
• You must have a gross yearly household income at or below 150 percent of the
federal poverty guidelines.
• Electric and natural gas customers who qualify pay $10 or 6 percent of their
gross monthly household income, whichever is greater, to the utility company
each month.
• If the utility provides both gas and electric services or if the customer has an all-
electric home, the payment is $10 or 10 percent of the gross monthly income,
whichever is greater.
• When PIPP Plus payments are made on-time and in-full, customers earn an
incentive credit and an arrearage credit. Each time you pay your required
monthly payment on-time and in-full, you no longer owe the rest of that month’s billed amount. You also receive a 1/24 credit toward any old debt.

- If you make full, on-time payments for 24 straight months, all of your arrearages will be eliminated.
- To apply, call the Pathway (EOPA) office at the phone number above.
- You may also enroll in PIPP Plus by completing the Energy Assistance Program application and mailing it to The Ohio Department of Development. You must provide proof of your gross monthly household income for at least the last three months.

**Medical Extensions** - for a 30-day delay of a gas or electric shut off:

- In the event of an electric or gas disconnection notice, you may contact your utility company to inquire if an extension may be approved due to a medical condition:
