- Long term care insurance evaluation and comparison
- Medicaid Assistance and applications
- Medicare appeals process
- All services are provided free of charge
MEDICATION ASSISTANCE

MEDICARE PART D DRUG PLAN 1-800-MEDICARE

- Medicare contracts with many insurance companies to provide drug coverage through Part D
- **Open enrollment for current Medicare beneficiaries: Oct 15th – Dec 7th each year**
- When enrolling, have your Medicare card and list of prescription medications/dosages
- If you need assistance with applying, contact: Lenawee Dept. of Aging at 517-264-5280

2018 Part D Plan Specifics:
- During the initial coverage phase, you pay a co-payment and your Part D drug plan pays its share for each covered drug until your combined amount (including your deductible) reaches $3750.
- Once you and your Part D drug plan have spent $3750 for covered drugs, you will be in the coverage gap, also called the “donut hole”. For 2018, the copay for covered brand-name prescriptions is 35% of the cost; covered generics copays are 44% while in the “donut hole”.
- When you spend more than $5000 out-of-pocket, the coverage gap (donut hole) ends and your drug plan pays most of the costs of your covered drugs for the remainder of the year. You will then be responsible for a small copayment. This is known as catastrophic coverage.

MEDICARE PART D “EXTRA HELP” with Part D Prescription Drug Costs
- Medicare Part D recipients may qualify for lower drug co-pays and a reduced or waived Part D premium. The income and financial asset limits for 2018 are as follows:
  - For single persons: annual income below $18,090 and assets less than $13,820
  - For a married couple: combined annual income less than $24,360 and combined assets below $27,600.
  - There is no coverage gap (donut hole) with the Extra Help benefit.
- For 2018, if you qualify for “Full Extra Help”, costs for generics are no more than $3.35 and brand name $8.35.
- Apply on line at [www.socialsecurity.gov](http://www.socialsecurity.gov) or call the Area Office on Aging at 419-382-7060.
- **Note:** Applying for the “Extra Help” does not enroll a patient in the Medicare Drug Plan. Medicare recipients still have to enroll separately in a Part D plan.
- **For assistance in enrolling in the MEDICARE PART D “EXTRA HELP” program, contact the Lenawee Dept. of Aging at 517-264-5280.**

**NOTE:** applying for the “extra help” does not enroll a patient in the Medicare Drug Plan. Medicare recipients still have to enroll in a Part D plan.

Consumers Energy Payment Assistance Plans  
800-477-5050

- **Consumers Energy Shut Off Protection Plan (SPP)**
  o Provides year-round protection from shut-off
  o Available to customers with household income at or below 200% poverty level.
  o Requires initial down payment of 10% of the total bill and must participate in a budget plan that spreads out your annual energy costs into 12 equal payments plus 18 equal monthly payments on any past-due balance

- **Winter Service Plan**
  o Assists low income customers age 65 or older to help prevent shut off and high payments during the winter months from Nov. 1 – March 31.
  o If you qualify, you'll pay an initial down payment of 1/12 of any past due bills. Each month, from November through March, you'll pay 7% of your estimated annual bill along with a portion of any past-due amount.
  o When the protection period ends March 31, you must pay your full monthly bill, plus part of the amount you owe from the winter months when you did not pay the full bill.
  o To qualify, you must meet one of the following:
    - Have a household income at or below 150% of the federal poverty guidelines
    - Age 65 or older
- Receive Michigan DHS cash assistance, food assistance, or Medicaid

- **Medical Emergency Protection**
  - In the event of an electric or gas disconnection notice, you may qualify for a shut off delay of 21 days if you have a qualifying, documented medical emergency.
